Innovium Capital Investment Initiates Restructuring

Toronto ... Innovium Capital Corp. (“Innovium”) announces that Fly America Furniture Inc. has initiated a restructuring process. As a first step, Fly America Furniture has filed a notice of intention pursuant to the Bankruptcy and Insolvency Act of Canada to make a proposal to its creditors in order to allow Fly America to facilitate an operational, commercial, financial and corporate restructuring.

The Management of Fly America and its advisors are now working on a restructuring / revitalization plan in order to maximize the value of Fly America for all parties. All of five of the Fly America furniture and decorative accessory stores in Quebec are open for business.

About Innovium Capital Corp.

Innovium invests in innovative opportunities and trades under the symbol IN on the TSX Venture Exchange. The Company benefits from an ongoing income stream from past agri-divestitures and consists of interests in Atlantis Systems Corp. (TSX symbol - AIQ), a globally recognized developer of simulation-based training systems principally for military and commercial aircraft servicing an international client base; Fly America Furniture, a privately-owned corporation specializing in high-quality, affordable retail furniture and decorative accessories; CablesEdge Software, which has developed the simplest, and most accessible, way for mobile users to access desktop information with the fewest keyclicks, and from any mobile device; Seed Media Group LLC, a new media company which develops original science content, aimed at a general audience and distributed across a number of media channels including its ground-breaking SEED magazine; First Person Plural, an innovative adver gaming company, whose first product will be HumanLimit™; and, RxRite, a developer of point-of-care e-Prescribing solutions providing physicians, pharmacies, payers and Pharmacy Benefit Managers with the ability to communicate effectively for the safe, secure, creation, transmission, and processing of electronic prescriptions.
