Corporate Update

Toronto ... Innovium Capital Corp. ("Innovium" or the "Company") reports that at its Annual and Special meeting of shareholders, held yesterday in Toronto, the shareholders approved its Revised Stock Option Plan. The Company revised the plan to update the provisions to current standards and to increase the number of shares reserved for issuance to a fixed amount of 14.5 million shares.

Innovium invests in innovative opportunities and benefits from an ongoing income stream from past agri-divestitures. Its venture investment portfolio is focused upon Seed Media Group, LLC, an emerging science media and communications company that develops original science content, including www.scienceblogs.com. The rapid growth of the digital media "space" is providing lucrative opportunities. This coupled with Innovium's constructive relationship with Seed Media Group will likely become an area of increased investment concentration. www.seedmediagroup.com

Innovium's other key investment is Voice on the Go Inc., which provides mobile subscribers with access to email, contacts, calendar and other content by voice at any time, on any cell phone, Blackberry® smartphone, or other PDA. www.voiceonthego.com

Innovium Capital trades under the symbol ***IN*** on the TSX Venture Exchange ("TSX - V") and ***IH7*** on the Frankfurt Stock Exchange ("FWB").
